## **Minutes**

April 6, 2018

Our April meeting was held at Grand Horizons Hills with 10 member communities and 2 associate members present. The meeting was called to order at 9:07 a.m. by President Barbara Stein. Grand Horizons Board member Jim welcomed everyone and shared a little information about GH. Linda gave the invocation and led the pledge, then did roll call, read the minutes and presented the Treasurers report. Vice President Marianne circulated to allow attendees to identify themselves and their communities.

A very interesting presentation by Alyessa Simmons of the Florida Fish and Wildlife Conservation Commission (FWC) on being “Bear Wise.” There are 4,030 Black bears state-wide in Florida.

Included with these minutes is a copy of the brochure Alyessa left for us with general information and many pertinent facts, and contact information in the event you spot a bear!

There was a form for community use if you would like to host a meeting next season. The board is planning a meeting to finalize next year’s schedule. If you have a suggested topic you would like us to plan, please email it to [eprocsecretary@gmail.com](mailto:eprocsecretary@gmail.com) in the next little while. We’d really like to get your ideas and suggestions.

Our first meeting in the Fall will be held at Spanish Trails Sr. Village, 7111 Gall Blvd, Zephyrhills, FL 33541 on Friday, October 19, 2018 at 9:00 a.m.

Be safe this Summer, wherever you spend it and we’ll see you in the Fall.

There being no further business, the meeting was adjourned at 10:26 a.m.

Respectfully submitted,  
Linda LaFayette, Secretary
